Applicants have a stronger application if they are entering Arizona Lutheran Academy at an earlier grade level and are committed to earning a diploma from Arizona Lutheran Academy. The longer the student is in the program, the greater the success rate of that individual student.

The Arizona Lutheran Academy admissions committee seeks a balance in representation with students from a variety of countries to create an academic environment that facilitates developing conversational English. Arizona Lutheran Academy does not discriminate according to race, gender, or heritage, but reserves the right to accept and decline applicants in a manner that leads to the most conducive learning environment for all students.
